**TENMA-CHO ELEMENTARY SCHOOL VISIT**

Our sister school visit from Tenma-cho Elementary School has once again come and gone very quickly. The visit commenced with our spectacular multicultural welcome assembly on Friday, 29th July and it was wonderful to see both our students and teachers engaged, having fun and learning together. We hope that all of our students had many enjoyable experiences with our visitors and we look forward to sharing many more when we visit Tenmacho Elementary School again next year.

To our host families I thank you for your generosity in providing a home away from home for a visiting Japanese student and for looking after our visitors so well. This very special school event would not have been possible without your support.

ART ROOM NEWS

DEGAS
Grade 2 looked at the French artist Edgar Degas to create their recent art work. They are up in the corridors. The National Gallery has a great exhibition of Degas’ paintings and sculptures until 18th September. A good idea for a rainy weekend.

CALL OUT FOR CD’S
Don’t throw out those old CD’s. The art room is collecting them for a school project. We need a few hundred! Please drop them in the box outside the art room any time.

(music CDs, old games, any type accepted)
Thank you in advance.

UKULELE BAND
A group of students from grades 4 and 5 have joined the KPPS ukulele band. We practise every Friday at lunch time. Some students bring their own ukulele from home. We are learning how to strum and play some simple chords.

DEAR PARENTS,

As a compliment to the spelling program at Kings Park PS, your child now has access to www.wordmania.com.au both at school and if you are online at home. Students have been assigned a username and password to allow them to access this site.

Literacy Planet’s - Word Mania is a fun and interactive word building competition involving an online game where players build as many words as possible using 15 letter tiles in three minutes. It is free for all students to play, and the competition is open to students in Years 1 to 9.

More than 105,000 students all across Australia participated in last year’s Word Mania competition. They built more than 43 million words correctly and spent over 10 million minutes improving their literacy skills.

There is $100,000 worth of school prizes on offer.

Good luck!
