SCHOOL UNIFORM
Could parents please ensure that students are in correct uniform daily. Jumpers, jackets and hats should have names on the inside so that items can be returned to the correct owners. Please ensure that your children do not wear shoes with rollers as they are not suitable for school uniform due to safety issues. Also, shoes must be have closed in toes, no thongs or sandals are permitted.

HEAD LICE
We are asking parents to do a weekly check on your children’s hair to keep this problem to a minimum.

CAR PARK
The school car park is for staff and deliveries only. Parents are not to use the car park for dropping off or picking up their children under any circumstances.

SCHOOL CONSUMABLE ITEMS PAYMENTS
We have quite a few students who have not yet paid the $120.00 Consumable Items Payment which covers all books, stationery, ICT, Literacy and Kings Patch Kitchen materials for the year. If you have not yet paid this, could you please do so as soon as possible at the school office.

If you have a Health Care Card or Pension Card that was valid on the 29/1/15, your payment of $120.00 is covered but we need you to bring your card to the school office, so that the relevant forms may be completed.

IMMUNISATION AND BIRTH CERTIFICATES
Letters will be sent home shortly to the families of children who we do not have the above certificates for. Both of these certificates are legal requirements by the Department of Education. If you receive a letter, could you please respond as soon as possible.

LATE COMERS
It has come to our attention that too many students are arriving at school after the bell. On average we have had 30 late comers per day since the start of the year. This is not acceptable. Parents are responsible for ensuring that their children are at school on time. Please ensure that your children arrive at school by 8:55am each morning.

If your child arrives at school after 9:15am, they must be accompanied by an adult to the office to collect a late pass and have their name registered as being late.

EARLY PICK-UP
If you need to pick your child up early you must come to the office and collect a form which is then taken to the class teacher. All early pick ups must be before 3.00pm. No early dismissals will be allowed after this time.

Also, if you have organised for someone to collect your child early, we must have a note or phone call to the office to authorise the early dismissal. If you have organised for someone other than a family member to collect your child, you must let the school know before hand.

NO HAT - NO PLAY
Students are not allowed to go outside to play if they are not wearing their school hat. Students also need their hat to go outside for sport, no hat no sport. Please ensure your child’s hat comes to school everyday. Hats are available from the office at a cost of $12.00.

Kings Park Primary is a Sun Smart School.

Please help us and our canteen staff with this matter.

Please ensure that your children do not wear shoes with rollers as they are not suitable for school uniform due to safety issues. Also, shoes must be have closed in toes, no thongs or sandals are permitted.

HEAD LICE
We are asking parents to do a weekly check on your children’s hair to keep this problem to a minimum.

CAR PARK
The school car park is for staff and deliveries only. Parents are not to use the car park for dropping off or picking up their children under any circumstances.
GRADE 6 SAILING  BY ARABELLA OCAMPO

My partner for sailing was Nikkie. She was steering while I was controlling the speed. Our boat nearly tipped over because we didn’t balance it enough and I started to panic but luckily Henry (the sailing instructor) rescued us and pulled our boats to safety. About half an hour passed and we were still having a little trouble balancing the boat but luckily it didn’t tip over. When we all started to get the hang of controlling the boat we started to have some fun! We splashed water on each other and our boat was starting to fill with water.

When I finally got the hang of controlling the boat without any trouble it was nearly time to go. Nikkie and I were told to go back to the shore so we did. But we had a lot of trouble trying to sail back because there wasn’t really any wind and our paddle was tangled and stuck. When we were back on land, it was a little frosty but I think the fact that we were wet made it seem like it was so cold.

The whole experience was extremely enjoyable and fun! I learnt how to co-operate and work better as a team! I will never forget sailing, it was one of the best days of my life!
